EXPERIENCE

Reactjs Developer

Virfars

08/2022 - Present

- I created responsive and scalable webpages.
- I collaborated with stakeholders during development processes to confirm creative proposals and design best practices.
- I coded using HTML, CSS and Reactjs to develop features for both mobile and desktop platforms.
- I struck balance between functional and aesthetic designs while maintaining cohesive branding across sites.
- I worked with Tailwindcss to improve responsiveness of the design.
- I used firebase as a backend service for signup, sign-in and data collection.
- I write clean, maintainable, and well-documented code following best practices and standards.
- I understand and contribute to the overall architecture and design of the application.
- I work with version control systems like Git to manage code, track changes, and collaborate with team members.

Reactjs Developer

Xyz-commerce

10/2022 - 10/2022

- I created responsive and scalable webpages using Reactjs and Tailwindcss.
- I struck balance between functional and aesthetic designs while maintaining cohesive branding across sites.
- I used firebase as a backend service for sign-in and data collection.
- I used react-router to switch between pages.

Reactjs Developer

LodgeMe

09/2022 - 10/2022

- I used Reactjs and Tailwindcss to create responsive aesthetic designs.
- I struck balance between functional and aesthetic designs while maintaining cohesive branding across sites.
- I collaborated with stakeholders during development processes to confirm creative proposals and design best practices.

SUMMARY

I am a resourceful Front End Web Developer bringing in-depth knowledge of latest technology trends to produce clean website design. I have experience in handling complex HTML and CSS coding, design and extensions to meet organization's front-facing internet needs. I aim at accomplishing detail-oriented collaboration with others to define project expectations and demand. Hands-on testing and debugging to address inconsistencies and maintain performance thresholds. I also enjoy learning from individuals in my line of work to improve my technical know-how.
